I Lisa,
Thank you for your e-mail. Today, Friday 1/20, I am assigned downtown for the protests today at City Hall. Can you please check with Caesar and clarify if Ofcr Chaplin is assigned to Hollywood Division or Wilshire Division. If proven to be true, this is completely unacceptable behavior.

Also, due to the rain today and possibly the next few days, there is not much enforcement that can be taken. However, the sidewalk STILL needs to be clear in order for pedestrians to safely pass. If you see any violations, please call 1-877-ASK-LAPD and have a patrol unit respond.

Thank you,
PJ

Dear SLO Jordan:

I am requesting your assistance with two (2) encampments that have continued to relocate themselves to Sycamore and Willoughby. Just this afternoon, our security team approached the two male encampments and was told by them that Officer Chaplin with LAPD asked them to relocate to our street. Do you know that Officer with LAPD? Need help with these guys - they never leave.

Help please
